

# THE AQUATIC CENTER AT MYLAN PARK

# WHAT TO EXPECT

We're here with you. Stay safe and informed about changes while you visit at The Aquatic Center at Mylan Park.

## Planning Your Visit

Check our online schedules for open times (<https://mylanpark.org/facility-calendar/>)

- Call (304) 933-AQUA with any questions
- Plan for only those who are swimming or using the Fitness Center to visit. No spectating, or loitering in the facility.
- Come prepared and dressed to go swimming. Locker room changing and storage will be limited.
- Know and be prepared to adhere to Mylan Park's Social Contract
- Don't forget your mask
  - Children under 2 years of age are exempt from wearing a mask.

## What to Bring

- Bring as little as possible
- Personal hand sanitizer is a great accessory!
- Bring a towel as we are suspending towel service for now
- Bring any personal equipment you might need ( life-jackets, small toys, kick boards)
- A positive attitude and an appetite for FUN!

## Upon Arrival

- Due to the Governor's and local health department guidelines, capacity will be limited to a maximum number of visitors that allows everyone to maintain proper social distance
- Expect there to be times where we are at capacity, you have the option to come back at another time or wait on one of our social distance markers.
- We apologize in the case that we may have to turn guests away, however we must follow the guidelines to maintain social distancing.
- Try planning your arrival at different times within the hour, not necessarily the top of the hour
- If you are a member of the Aquatic Center, consider visiting during our Member Only swim times

# THE AQUATIC CENTER AT MYLAN PARK

# WHAT TO EXPECT

## While you are here

- When you arrive at the pool you will find an open "belonging space" which will be marked on the floor and distanced around the deck.
  - Please limit your belonging storage to this area.
- Be mindful of others around you and maintain a minimum of 6ft social distancing
- Keep that mask on!
- Wash your hands and use hand sanitizer frequently
- Please listen to our staff, your safety is their top priority
- Let a Mylan Park team member know if you have any concerns or feel unsafe.

## Locker Room & Restroom Use

- Lockers will not be available for use at this time. Limit your belongings and bring items onto the pool or splash pad deck and place within available belonging markers.
- Maintain social distancing in the locker rooms and limit dwell time.
- Locker Rooms may be closed on a rotating schedule for cleaning, please follow all signage

## What we are doing to keep you safe

- Following and enforcing all CDC, State and local guidelines.
- Daily health screenings and temperature checks for our staff
- Frequent hand washing and sanitizing
- All staff will be wearing masks for your protection
- Gloves while handling POS items
- State of the art pool sanitation and filtration
- Frequently sanitizing all high-touch areas
- Enhanced frequency and methods of cleaning protocol
