SILVER = Sponsorship Level of \$2000-\$9999 annually

GOLD = Sponsorship Level of \$10k+ annually

Scan code for facility hours.

More Information:

Sponsorship levels include any contribution to Mylan Park either via a donation, in-kind service, advertising or other qualifying support to a Mylan Park facility or program. A basic corporate membership is one without a sponsorship. Gold & Silver sponsors get exclusive offers and first right on events, facility opportunities, and priority on news. Employees automatically qualify for special rates & discounts if their employers are a sponsor. Bronze & Silvers sponsors can pass along a 10% discount, and Gold sponsors can pass along a 20% discount.

To activate a corporate membership, companies sign up for the appropriate membership level and designate the # of desired memberships annually. Annual payment is due at time of signing OR a company credit card must be on file for automatic monthly payments; activation and first months' payment is due at signing.

Participating companies may choose to have either:

- 1) Rotating memberships in which a set number of corporate passes will be provided for employees.
- 2) Memberships assigned to employees under a "parent account" set up by the company.
- 3) Employee specific accounts that are billed to the company.

Please contact Grant Peterson, Front Desk Manager or Heather McIntyre, Assistant Director – Marketing & Outreach with questions or to set up your account. **(304) 933 - AQUA**
